SUMMARY

Full-Stack Web Developer with **4+ years** of experience building **scalable, high-performance applications** using **React.js, Next.js, Node.js, Laravel, and MySQL**. Experienced in **REST API architecture**, authentication systems (**JWT**), database optimization, and **production deployment**. Delivered **77+ client projects** with a focus on **performance**, maintainability, and **business impact**.

TECHNICAL SKILLS

- **Core Technologies:** JavaScript (ES6), Typescript, PHP
- **Frontend:** React.js, Next.js, Redux Toolkit, Context API, HTML5, CSS3, Tailwind CSS, Bootstrap, jQuery, Shadcn/ui, AJAX
- **Backend:** Node.js, Express.js, Laravel, RESTful APIs, JWT Authentication
- **Database:** MySQL, MongoDB
- **Tools:** Git, GitHub, Vercel, Netlify

EXPERIENCE

Frontend Developer | Softvence Delta | Jun 2025 – Jan 2026

- **UI/UX Optimization:** Engineered highly responsive and interactive user interfaces using **React.js, Next.js, and Tailwind CSS**, resulting in improved cross-device compatibility and a smoother user experience.
- **API Architecture:** Collaborated with backend teams to architect and integrate **RESTful APIs**, ensuring seamless data exchange and optimizing application load speeds for better performance.
- **State Management:** Implemented robust state management solutions using **Redux Toolkit and Context API**, which reduced application runtime errors and significantly enhanced code maintainability.
- **Performance & SEO:** Leveraged **Server-Side Rendering (SSR)** and static site generation in Next.js to boost SEO rankings and minimize initial page load time for production-ready applications.

Freelance Full-Stack Developer | Self-Employed (Remote) | Jan 2021 – Jun 2025

- **Project Delivery:** Successfully delivered **77+ web applications** using **Laravel, React.js, Next.js, and Node.js**, maintaining a **100% on-time delivery rate**.
- **Global Impact:** Collaborated with international clients across **(15+) countries**, ensuring high satisfaction with a **(30%) repeat client rate**.
- **Technical Integration:** Architected and integrated secure **RESTful APIs**, optimizing data flow and enhancing system performance by leveraging **Tailwind CSS** for responsive UI/UX.
- **End-to-End Management:** Managed the full **SDLC**, including client requirement gathering, system design, and successful deployment on **live production servers**.

PROJECTS

STAXY (Agency Website) | staxy.live

- **Tech Stack:** Next.js (SSR), TypeScript, Tailwind CSS, shadcn/ui.
- Developed a **production-ready** agency website with **Server-Side Rendering (SSR)** and **TypeScript** to ensure high performance and type safety.
- Converted **Figma designs** into a **pixel-perfect**, responsive UI, implementing clean architecture and interactive components for an intuitive user experience.

Cholofly (Peer-to-Peer Courier) | cholofly.com

- **Tech Stack:** PHP, MySQL, REST APIs, Payment Gateway.
- Engineered a complex peer-to-peer courier platform featuring **Real-time Posting**, **User Authentication**, and secure **Third-party Payment Integration**.
- Implemented core business logic including **Commission-based Transaction Modules**, parcel security tracking, and automated home delivery workflows.

Poulet Braise (Restaurant System) | poulet-braise.fr

- **Tech Stack:** Laravel (MVC), MySQL, Blade, RESTful APIs.
- Built a **full-stack e-commerce solution** for a restaurant using the **Laravel MVC framework**, featuring dynamic menu browsing and real-time order processing.
- Integrated **Secure Payment Gateways** and an **Admin Dashboard** for seamless order management and table reservation tracking.

Sanivast (Business & Service Platform) | sanivast.com

- **Tech Stack:** Laravel, MySQL, Mail/SMS API, Cron Jobs.
- Developed a full-stack service management system featuring **Online Booking**, consultation requests, and automated **Mail & SMS alerts** for real-time notifications.
- Optimized **Database Queries** and site responsiveness, ensuring **high-speed performance** and a seamless booking flow across all devices.

EDUCATION

B.S.C in Mathematics (Ongoing)

National University
